2023-2024 INDEPENDENT STUDENT STATUS QUESTIONS

Student's Name: _____ LSU ID: 89 - _____ - _____

You answered "yes" to a question in Step Three of the Free Application for Federal Student Aid (FAFSA), which determines a student's dependency status. The FAFSA uses the first question you answer "yes" to make the assumption that you are an independent student. However, additional verification is requested within the financial aid office to determine if this status is correct. Based on the verification document you submitted, it was determined that you should not be considered independent for Federal aid purposes. In order for our office to continue to determine your dependency status, please complete all questions below, which you may not have been given the option to answer when completing the 2022-2023 FAFSA.
