Student Statement Form

The purpose of this Accountability meeting is to provide you with the opportunity to address the alleged violation of the Code of Student Conduct by describing your account of this incident. In the space below, please provide a detailed summary of the incident(s). If appropriate, identify potential individuals or other information that may be utilized by the SAA official during the Accountability process and possibly, during a more thorough investigation.

To the best of my knowledge, everything written on this form is true.
