

Louisiana State University
FY 20-21 Approved Service Centers
Revised October 13, 2020

College of Science

- X-Ray Diffraction Laboratory
- Chemistry Mass Spectrometry Facility
- Nuclear Magnetic Resonance (NMR) Facility
- Chemistry Stockroom
- Helium Cost Center
- Nitrogen Cost Center
- Technical Services Group

College of Engineering

- Materials Manufacturing, Testing and Evaluation Facility (MMTEF)
- Advanced Manufacturing & Machining Facility (AMMF)

Louisiana Geological Survey

- LGS Service Lab
- LGS Motorpool

School of Mass Communication

- Public Policy Research Lab

Office of Research & Economic Development

- Shared Instrumentation Facility

CAMD

- LSU Nanofabrication Facility (NFF)/CAMD Cleanroom Service Center

School of Veterinary Medicine

- Pathobiological Sciences Service Center
- Life Science Animal Care Facility (LSACF)
- Division of Laboratory Animal Medicine (DLAM)
- DLAM Ag Pastures (DLAM Farm Operations)
- Histopathology Core Cost Center
- Gene Probes & Expression Lab

College of Coast & Environment

- Wetland Biogeochemistry Institute Analytical Services (WBIAS)
- Coastal Studies Institute – Field & Lab Services
- Field Support Services

LSU Agricultural Center

- Central Analytical Instruments Research Lab
- Greenhouse Service Center
- AgCenter Biotechnology Laboratory
- Callegari Water Quality Lab

Pennington Biomedical Research Center

PBCR Clinical Super Core

PBRC Transgenics Mouse Core

PBRC IDR Core

PBRC Genomics Core

PBRC Cell Biology and BioImaging Core

PBRC Comparative Biology

PBRC Comparative Metabolic and Behavioral Core
