Convenience

Funds from your account are readily accessible by either writing a check or using your Wealth Management Account Debit MasterCard[®]. Monthly account statements are provided to show all transactions made to your account.

Competitive Interest Rates

Interest begins to accrue on your account immediately. Even if you need time to decide what you plan to do with the money in your account, you will still earn a competitive interest rate from the day your account is established.

Flexibility

There is no limit on the number of debit card transactions or checks that can be utilized during the month and all or part of the money in your account can be withdrawn at any time, without penalty.

Once your claim is approved, you'll receive the following information from Optum Bank:
