

CYPRESS HALL

RESIDENTIAL COLLEGE

Cypress Hall is a residential college that houses students majoring in the college of Human Science and Education and Allied Health. It is LSU's only LEED certified building. There are 2-student suite-style rooms. Each room comes with a twin XL loftable bed, a desk with a chair, a side table, a dresser, a sink, and a moveable closet for each resident. Cypress Hall features a laundry room, a computer lab, a 24-hour front desk, a kitchen, staff offices, classrooms, and multiple outdoor courtyards.

Cypress Hall is located on the west side of campus, making it close to Tiger Stadium, the Quad, and The 5 dining hall. It has plenty of parking in the front of the building.
