

# ANNIE BOYD HALL

## TRADITIONAL HOUSING

As a traditional hall, Annie Boyd Hall is open to all majors and all years of students. Because of the unique room set up, location, and two-student rooms with suite-style bathrooms, the building is popular. From the outdoor porch used for relaxing to the hall's small group study rooms, Annie Boyd Hall has everything students need to be successful at LSU. Its convenient location next to the Student Union and Barnes & Noble bookstore make it steps from anything on the large campus, but its small capacity maintains a close-knit community atmosphere. Annie Boyd Hall was renovated in 2012 and houses first-year students in two-student rooms with suite-style bathrooms.
