Fax _____ **Clinic email** (optional) _____

REFERRAL APPOINTMENT INFORMATION

Appointment Date/Time: _____ (Please plan to arrive 15 min early for registration)

Clinical Service/Dr. for Appointment: _____

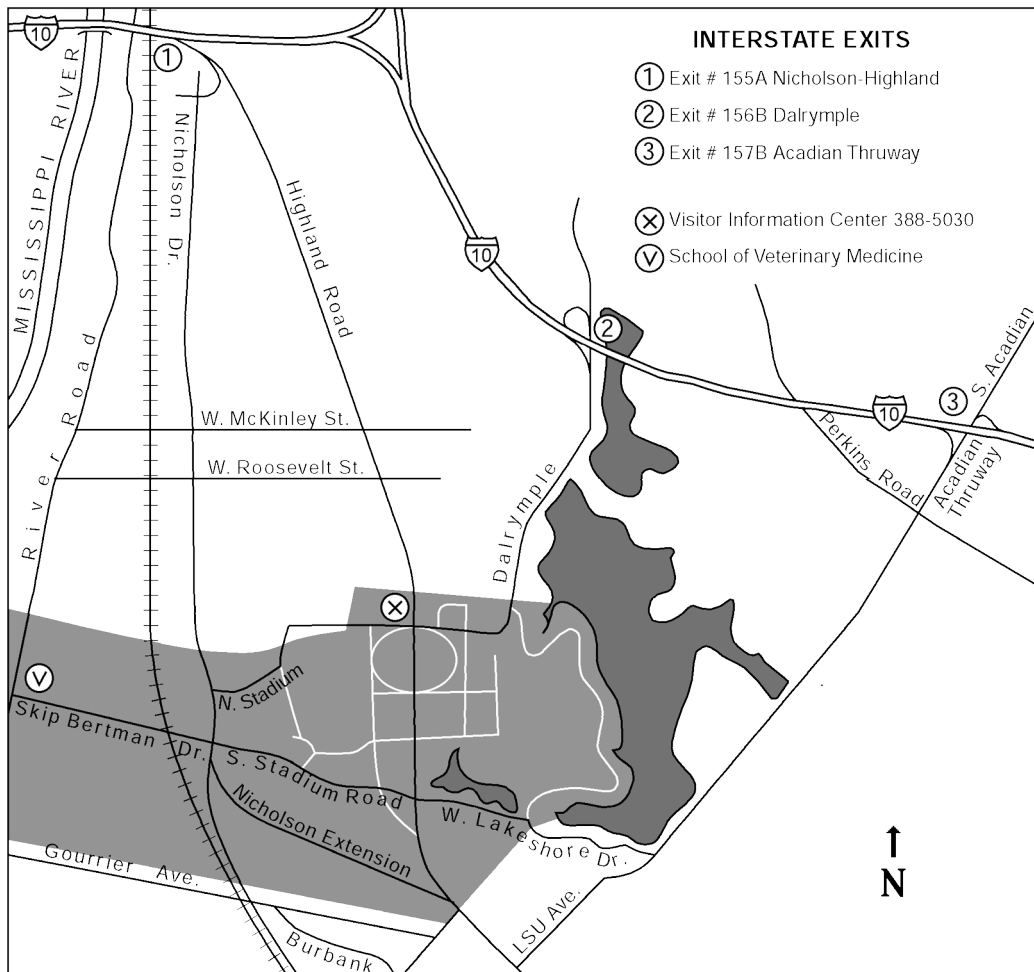

Please note that all appointments must be made in advance

Directions to the Small Animal Clinic

The Veterinary Teaching Hospital is on the LSU campus in Baton Rouge, Louisiana at the corner of River Road and Skip Bertman Drive (formerly South Stadium Drive). We are right next to the levee of the Mississippi River, just to the west of the LSU baseball and football stadiums. If you have questions or problems finding us, please do not hesitate to call us at 225-578-9600.

When arriving from the east, north or west, the map shows the Interstate-10 exits to use. When coming from the south via LA 30 (e.g. from Gonzales), turn west off Nicholson Drive (LA 30) on to Skip Bertman Drive at the stadiums.

Once you are going west (toward the river) on Skip Bertman Drive, the entrance to the Small Animal Clinic is the last drive on the right before River Road. Follow the signs to the front of the Small Animal Clinic; parking is available directly in front of the clinic. If you arrive after hours, there is an intercom button outside the front door that will connect you with the emergency staff, who will come up and open the door for you.
